## PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

Students and staff members at Hannah-Pamplico High School enjoyed a very exciting and productive school year. The year began with the release of Scholastic Assessment Test (SAT) results from the spring of 2000 which revealed an average score of 974 and an increase in 31 points over the previous year. The excitement, enthusiasm, and overall school/community pride was heightened by the success of our football team's 13-1 record.

Some additional successes included:

- \* An increase in the average SAT score from 943 to 974;
- \* An offering of more than \$500,000 in scholarships to seniors;
- \* The selection of two Palmetto Fellows;
- \* First place winner in the state's Vocational/Industrial Clubs of America's (VICA) masonry contest and national VICA competition;
- \* Life Scholarship qualifications by graduating seniors at two and four year institutions;
- \* The signing of athletic letters of intent by four football team members;
- \* Improved BSAP Exit Examination results: math 82.3; reading 88.6; and writing 81.0.

We implemented and enhanced many academic programs in an effort to prepare our students by:

- \* Hiring an additional mathematics teacher, which afforded us the opportunity to provide all non-college preparatory students with mathematics the entire year;
- \* Providing Saturday morning BSAP-Exit Examination preparation workshops during the spring;
- \* Collaborating with Florence-Darlington Technical College Talent Search Program to provide four SAT workshops;
- \* Administering the PAST to all ninth, tenth, and eleventh grade students;
- \* Increasing our foreign language department offering by providing an additional Spanish I class during both semesters.

While focusing on state and national standards, our instructional staff at Hannah-Pamplico High works diligently to meet the individual needs of every student at our school.
